**Re: Huntley's Sub-Aqua Construction**

---

**Dear Sir/Madam,**

Please be advised that we recently employed the services of Huntley's Sub-Aqua Marine Limited on 2 of our marine projects:

- Digby Ell Wharf Demolition
  - o Underwater cutting of timber piles
  - o Video inspection
  
- Indian Point Wharf Construction
  - o Underwater timber cutting
  - o Concrete underpinning
  - o Underwater timber work
  - o Assistance setting timber cribs

We found Huntley's Sub-Aqua Marine to be a professional diving company with the personnel and specialized equipment to competently complete our marine construction assignments.

Please contact me if you require further information.

**Yours truly,**

**Paul Ponsford, P.Eng.**
