Re: Huntley's Sub Aqua Construction

To whom it may concern:

The Digby Harbour Port Association has successfully worked with Huntley's Sub-Aqua Construction on a number of projects over the past five years. They have always proven capable, conscientious and extremely accommodating.

Their work for us has included salvaging a sunken vessel, locating ladders on the sea-bed, demolition removal of piles and video inspection.

Please feel free to contact me if you wish to discuss anything further.

Sincerely,
